The Orwigsburg Area Free Public Library's 2017 Fund Drive

OUR DOLLARS AND CENTS

The funding we receive from the Commonwealth and local municipalities accounts for less than 20% of the annual income we require to maintain our outstanding staff and services.

We count on the money we raise from this fund drive and fundraisers throughout the year to collect the remaining balance.

CELEBRATING 40 YEARS!

We kicked off 2017 with The Dinner Party, a new fundraiser at the Schuylkill Country Club. We continue the tradition of dine-outs, book sales, raffles and contests galore-- and look forward to our 35th Holly Trail and 2nd Annual Holly Trail Kick-off Party.

We plan to move into our building later this year. Our new space is designed to reflect all the necessities of a public library in 2017!
